McComis Inspections, (512) 301-7801

This permit becomes null and void if work or authorized construction is not commenced within 30 days. If this project is not completed within 6 months a written request for an additional 6 month extension must be applied for, 30 days before this permit expires.

I hereby agree to keep a set of the reviewed plans at the job site at all times during construction. I certify that I have read and examined this permit and know the same to be true and correct. All provisions of Deed Restrictions, laws, ordinances and policies governing this type of work will be complied with whether specified herein or not. The granting of this permit does not presume to give authority to violate or cancel the provisions of any state or local law, regulation or the performance of construction.
