

Building Permit Application

Category I, Major Construction

- *Black ink only*
- No construction shall start until applicable building permits are issued.
- **The following are required:**
 - Two (2) 24" x 36" copies of engineering and design documents AND electronic version of all documents including engineering and design documents (If electronic version of permits are not available from Travis County, City of Austin, Water District #17, etc, submit 8.5" X 11" copies)

The Architectural Review Committee reserves the right to determine the construction category for your project and reserves the right to require additional information.
